DIY BOOK DRIVE KIT

Thank you for your interest in hosting a Book Drive for Reach Out and Read Minnesota! Our partner clinics are always grateful to receive new children's books they can use for our core program.

#1. Choose your approach.

- Do you want a multi-day book drive collection at a fixed location (like a community center, daycare, school, or other business)?
- Do you want to organize a company-wide day of giving back as a fun way to clock in volunteer or service hours?
- Do you want an online book drive with a local bookstore or one of Reach Out and Read Minnesota's partner vendors ([Books4School](#), [Scholastic](#) or [AllAboutBooks](#))? Our partner vendors can usually provide more books per dollar, but we also love to support Minnesota's local bookstores. Some of our favorites include: [Birchbark Books](#), [Magers & Quinn Booksellers](#), [Black Bears and Blueberries Publishing](#) and [Wild Rumpus](#).

#2. Make a plan and timeline for the drive.

#3. [Reach out to us](#) and share your plans for your drive.

#4. Share and spread the word!

- Use our [materials and resources](#) to share about your book drive with your/your organization's network, including social media, email, texting or your preferred method of communication.

#5. Collect books and comb through to find any that don't fit into the criteria.

#6. Box or bag up books with your organization/name labeled.

- Email getinvolved@reachoutandreadmn.org with # of boxes/bags and when they will be dropped off at our storage site. Please give our staff at least 3 days to respond. They will contact you with address details of where to drop off your donation.

#7. Drop off donation at our storage site in the Twin Cities.

- You can feel great about giving the gift of reading to children all across Minnesota!
