

MINNESOTA

We're kicking off our Back to School Drive today!

As families are gearing up for another school year, we want to spread the word about the powerful and long-term effects that reading and sharing books have on a child's future! Reach Out and Read's programming has been proven to give young children the fundamental skills they need to succeed in kindergarten and beyond. We will be sharing information and opportunities to give all week. Please share within your circles and help us get more kids across Minnesota ready for kindergarten and a lifetime of learning!
